IN CHANCERY

Robert Wright adm'r, of Robert Wright against Chas. P Blake } On the Equity side of Q Ann's County Court, May Term, 1833.

The bill of complaint filed in the above cause sets forth that Charles P. Blake being largely indebted and having many judgments standing against him and fearing that if his property was taken in execution & sold it would bring but a small sum, prevailed on his creditors to allow him time to raise the money and pay their respective claims which said creditors agreed to do, if the said Charles would give security for the payment of the same, that in pursuance of this agreement the said Charles applied to Robert Wright deceased and John P. Blake who became security for the claims aforesaid and to indemnify the said Robert and John from any loss on account of their suretyship as aforesaid he executed a mortgage bill of sale of sundry negro slaves, named in said mortgage deed, farming utensils, horses and cattle, providing that in case the said Charles paid the aforesaid claims the bill of sale was to be void, but if the said Robert or John paid them the property mentioned in the bill of sale was to be answerable to the said Robert or John as the case might be to the amount they might pay on account of their suretyship as aforesaid The bill then goes on to state that the said Charles did not pay the said claims but that a large amount of said claims was paid by Robert Wright deceased, and that an order to indemnify the estate of the said Robert, the bill prayed the court to pass a decree decreeing the sale of so much of the property mentioned in the bill of sale as would cover the amount there paid by the said Robert and the court being satisfied by competent testimony that the said Charles evaded and kept out of the way of the Sheriff to avoid process being served on him—It was therefore ordered by the court that Charles P. Blake appear by himself or his solicitor in the court aforesaid on or before the tenth day of January next and with an appearance to said bill and abide the further order of the court.

Swaim's Panacea.

FOR THE CURE OF

Scrofula or King's Evil, Syphilitic and Mercurial Diseases, Rheumatism, Ulcerous Sores, White Swellings, Diseases of the Liver and Skin, General Debility, and all diseases which originate from impure blood or indiscretion of Youth, and where the constitution has been broken down by the use of Mercury, Arsenic, Bark or Quinine, &c, and most internal diseases where the Lungs and chest are supposed to be affected, &c.

In order to make fully known in what estimation Swaim's Panacea is held by the medical profession, the proprietor subjoins certificates from gentlemen who in their private as well as public characters are deservedly ranked among the most scientific of the profession. The public as well as the proprietor of the Panacea owe much gratitude to the gentlemen who have thus testified in its favour—their recommendations have occasioned its use in various cases of inveterate corruption of the blood, descending to the second generation which otherwise would have destroyed valuable lives. Their humanity and disinterestedness in promoting the currency of a medicine found to be of such great benefit to the human race without regard to its original ownership claims the grateful admiration of a beneficent public.

This medicine has the singular fortune a just tribute to its great merit, of being recommended by the most celebrated practitioners of medicine in the United States and elsewhere; whereas not one of the spurious mixtures made in imitation of it has the least support from the medical faculty. This fact offers an argument so plain and conclusive that it needs only to be mentioned to enforce conviction.

The false reports concerning this valuable medicine which have been so diligently circulated by certain Physicians must have their origin either in envy or in the mischievous effects of Spurious Imitations.—I leave the public to judge for themselves.

I pledge myself to the public and give them the most solemn assurances, that this medicine does not contain mercury in any form whatever.

CERTIFICATES.

From Dr. N. Chapman professor of the Institute and of Physic and Clinical Practice in the University of Pennsylvania, President of the Academy of Medicine of Pennsylvania, &c.

I have within the last two years had an opportunity of seeing several cases of very inveterate ulcers which having resisted previously the regular modes of treatment were healed by the use of Mr Swaim's Panacea, and I do believe from what I have seen, that it will prove an important remedy in scrofulous, venereal and mercurial diseases.

N. CHAPMAN, M. D

From Dr. W. Gibson Professor of Surgery in the University of Pennsylvania, Surgeon and Clinical Lecturer to the Alms House, Infirmary &c.

I have employed the Panacea of Mr. Swaim, in numerous instances within the last three years, and have always found it extremely efficacious, especially in secondary syphilis and in mercurial disease. I have no hesitation in pronouncing it a medicine of inestimable value.

W. GIBSON, M. D

From Doctor Valentine Mott Professor of Surgery in the University of New York Surgeon of the New York Hospital, &c

I have repeatedly used Swaim's Panacea both in the Hospital and in private practice, and have found it to be a valuable medicine in chronic syphilitic and scrofulous complaints & in obstinate cutaneous affections. VALENTINE MOTT, M. D.

CAUTION TO PURCHASERS.

☞ Swaim's Panacea, is in round bottles, fluted longitudinally with the following words blown in the glass;

Swaim's Panacea—Philad.

Having but one label which covers the cork with my own signature on it so that the cork cannot be drawn without destroying the signature without which none is genuine. The medicine may consequently be known to be genuine when my signature is visible, to counterfeit which will be punishable as forgery.

The public are cautioned not to purchase my Panacea except from myself my accredited agents, or persons of known respectability and all consequently will be without excuse who shall purchase from any other persons.

The GENUINE PANACEA may be had wholesale and retail at the proprietor's own prices of HENRY PRICE——who is Sole Agent for Baltimore at the corner of Baltimore and Hanover streets.
