## GLASSWARE,

AT VERY REDUCED PRICES.

W. DYOTT, N.E.corner ofRace&2d atreets proprietor of the Philadelphia and Kensington Glass Factories respectfully informs the public, that from recent and various improvements he has effected in the art of manufacturing glass of the most durable strength and quality, and his new discovery of fusing or melting it in the purest state, by the most intense heat that can be obtained, without the use of either wood or coal a very considerable saving is realized in the expense of tuel, for which he has obtained letters patent from the United States.

Having lately commenced the manufacture of White Flint Glass in addition to

GREEN GLASS

establishment, he is now enabled to furnish articles made of either description. His establishment is on themost extensive scale embracing four distinct Factories located on the Delaware, in the immediate vicinity of Philadelphia, affording every facility for executing orders with promptness, and having in his employment the first rate workmen in the country. Is hereby given to all persons who With the above advatages he is enabled as to affordgeneral satisfaction. His factories being now in full blast, he offers for sale Apothecaries' Vials from half drachm patent medicine and perfumery, do mustards cayennes Druggist's Shop furniture Confectioners shew bottles caster oil cordial wine and bitter bottles ground stop pered acids, Druggists' packing bottles wide and narrow mo. from half pin. to two gallons, carboys from six to ten gal-Thos.
