ealth: the poor Man's riches, the rich man's bliss.

The primary object with the conductors the Journal of Health, is to point out the eans of preserving health and preveng disease. To attain this, all classes and th sexes shall be addressed, in a style fa liar and friendly and with an avoidance such professional terms and allusions as mld in any way obscure the subject or as rm the most fastidious. The fruits of uch reading, study, and careful observain, shall be placed before them, so arnged and applied as to conduce most efcaciously to their bodily comfort and menilling they may belong, the readers this Journal will find precepts suscepti e of valuable application. Air, food, excise, the reciprocal operation of mind id the physical education of children, are pics of permanent and pervading interest, with the discussion & elucidation of which he pages of the work will be mainly filled. In addition to the above, the names of a number of highly esteemed members of he different professions, who are subscri- Only one dim, pale planet, of planets the ers to the work, might be adduced as ex pressive of the estimation in which it is held. With one voice the public press from one end of the Continent to the other has spoken of the Journal of Health in terms

of unequivocal commendation. TERMS-The paper will appear in numbers of 16 octavo pages each; on the 2d and 4th Wednesday of every month; price per annum \$1 50 in advance.
